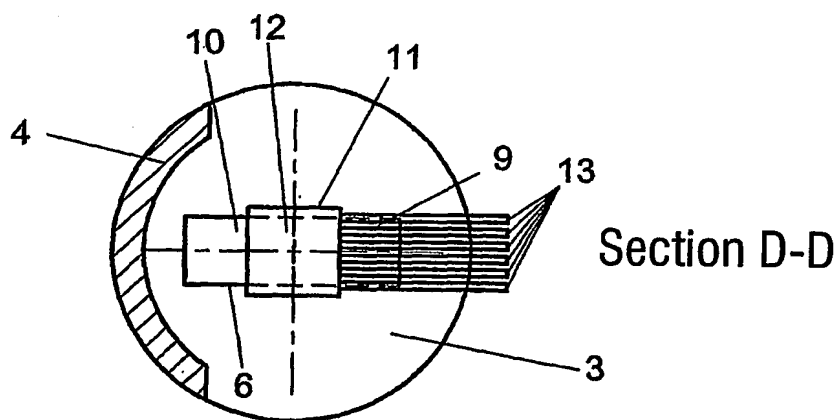

FIG. 4

Section F-F

This diagram shows a cross-section of the device. A circular base (27) contains a rectangular component (28) with a central vertical slot (22). A vertical assembly (29) is mounted on top of the component (28). The assembly (29) consists of a series of vertical lines (30) and a central vertical line (25). The base (27) is labeled with 26 on the right side.
